SOS EVENT—HOPE BUILDER CAMPAIGN KICK OFF

More than 500 enjoyed a special menu of 'curbside dishes', amazing entertainment from Andy Park & band and a vigorous silent and live auction on October 28th. Thank you to all who joined us for an evening full of fun.

Your generosity enables us to complete our building renovations and to launch the new addition to our outreach mobile fleet—the Isaiah Truck offering one-on-one prayer ministry, Christian library and basic medical educational services.

WILL YOU HELP BUILD HOPE?

Will you help build our Wall of Hope? Join faithful supporters in sharing Faith, Hope and Love to our street family.

Funds assist our long-term vision in meeting the needs of the poor, disadvantaged and homeless and to help sustain NightShift's service programs in assisting our street friends to become contributing members of the community.

The first SOS Prayer Call took place on Dec 8 & Dec 9th. The Centre was a hub of activity with prayer warriors coming and going all hours of the day and night. May God bless those saints who faithfully bowed their heads together in prayer.
